I gave him love, I gave my all
I gave myself, I lost control
Held nothing back, I just let go
Now I'm realizing, I've been all alone

He won't love me till I'm gone down
(Gone)
But I don't want him, 'cause he's wrong, wrong
(He's there wrong, yea)
An' now he loves me, 'cause I'm gone, gone
(Gone)
But it's just too late, 'cause now I found someone

I'm looking for an everlasting love
The kind that every girl like me dreams of
When you said you love me, I realized you lied
Now all I have to say to you is goodbye
Ohh yea

He won't love me till I'm gone down
(He won't love me)
But I don't want him, 'cause he's wrong, wrong
(Wrong, yea, yea, yea)
And now he loves me, 'cause I'm gone, gone
(He love me 'cause I am gone)
But it's just too late, 'cause now I found someone
(Found someone, yea)

Lord tell him somethin' 'cause he lost his mind, ohh yea
If I could rewind, I wouldn't give him the time, yea, eaa
I'll take all this pain and throw it away, ohh
I realize, you ain't good enough for me, ohh, yea

He won't love me till I'm gone, gone
(He won't love me till I'm gone)
But I don't want him, 'cause he's wrong, wrong
(He did wrong, yea)
And now he loves me, 'cause I'm gone, gone
(Love me, love me, yea)
But it's just too late, 'cause now I found someone
(Ooh yea, yea)

He won't love me till I'm gone, gone
(He, ohh, ohh)
But I don't want him, 'cause he's wrong, wrong
(He so wrong, ohh)
An' now he loves me, 'cause I'm gone, gone
(Love me 'cause I am gone, gone, gone, yea, yea)
But it's just too late, 'cause now I found someone
(Found some someone, yea, yea)

He won't love me till I'm gone, gone
(He'll love me when I am gone, gone, yea)
But I don't want him, 'cause he's wrong, wrong
(He'll love me)
