(feat. L.O.)

[Verse 1]

I gave you all my love
It was never enough
You took for granted
That I cared so very much
I made your house a home
Please tell me why you did me wrong

[Hook]

Why do I waste my time on you
Giving you loving that you don't deserve
And if I had the chance to think it through
I probably wouldn't waste my time on you

[Hook (Repeat)]

[Verse 2]

I let you be a man
And still wanna front
I even cleaned your ash tray

When you rolled them up
But now you think
Somebody's love is as good as mine
I can't think of no reason
But boy you must be blind

[Hook]

Why do I waste my time on you
Giving you love that you don't deserve
And if I had the chance to think it through
I probably wouldn't waste my time on you

[Hook (Repeat)]

[Bridge]

Now I see the light
It shines so bright
'Cause I know I'll find a man
Who will treat me right
