Chorus:

I just wanna do something real to you  
Like a real brother is supposed to do  
Just tell me how you feel baby  
I'll give you something real baby  
(repeat)

Verse 1:

Let's not pretend, I promise if we keep it real  
Girl you will discover I'll give you pleasure like no other  
It's very spiritual but also physical  
Mere words can't tell, you'll have to feel it for yourself

(come on, come on)

Because it's here, right here my dear  
Something that makes you smile again  
Something that takes all night and then  
I'm going to be the one that's still here, right here my  
dear  
The physical's only part of it  
Give me a chance to show you a deeper love  
Give you something real

Chorus

Verse 2:

Let me make this clear, I've been doing this for years  
Now I understand what a woman needs from her man  
Spending money on my baby, take a trip downtown and  
daily  
I'ma drive you like miss daisy, ain't no nigga that can  
fade me

Baby I'm here, right here my dear  
You don't even have to say a word  
Your body is calling and I heard  
One else understands  
Can we tell God and the whole world  
You're my woman, and you're my man  
Can't you just feel how much I love you  
With one touch of my hand

Can I just spend my life with you

Can I just spend my life with you

Can I just spend my life with you

(forever here with you)

Can I just spend my life with you

Can I just see you every morning when i

Open my eyes
