All we are is dust
All we are is dust in the wind

I close my eyes
Only for a moment, then the moment's gone
All my dreams
Pass before my eyes, a curiosity

Dust in the wind
All we are is dust in the wind
Dust in the wind
All we are is dust in the wind

It's the same old song
We're just a drop of water in an endless sea
All we do just crumbles to the ground
Though we refuse to see

Dust in the wind
All we are is dust in the wind
Life's too short brothers and sisters
Dust in the wind
All we are is dust in the wind

Don't hang on
Nothing lasts forever but the earth and sky
It's there always
And all your money won't another minute buy

Dust in the wind
All we are is dust in the wind
Life's too short brothers and sisters
Dust in the wind
All we are is dust in the wind

Open your eyes, you've acquired quite a bit
Keep your balance, don't you slip
It could all end instantly as you will see
Time waits for no one, it just moves on

There is a white one
Who won't accept the black one

Who won't accept the yellow one
Who can't accept the white

When will we learn?
All we are is dust in the wind
Time for the healing to begin
All we are is dust in the wind
Everything is dust in the wind
Everything is dust in the wind
