When I'm far away
Could I ever be untrue? No baby
Could I fade away
Find somebody new? No baby

Though this road gets long and weary
I'm always coming home to you

I'll be there for you
Oh baby, I'll be waiting around you
I'll be there for you
Oh baby I, I'll be there for you

Could a summer breeze
Compare when you're in view, oh girl? No baby
Could anything or anybody
Thrill me like you do? No baby, oh no, oh no girl

So you'll never have to wonder
I commit my love to you

I'll be there for you
Oh baby, I'll be waiting around for you
I'll be there for you
Oh baby I, I'll be there for you

Oh girl, I'll be there
You know that I will be there for you

Girl, listen to me
Sometimes this road gets long and weary
But girl it always leads to you, oh oh oh

I'll be there for you
Oh baby, I'll be waiting around you
I'll be there for you
Oh baby I'll be waiting, I'll be waiting

I'll be there for you
Oh baby, I'll be waiting around you
I'll be there for you
Oh baby I, I'll be there for you

Oh baby I, I'll be there for you

Oh baby I, I'll be there for you
