"Dance Me To The End Of Love"

Now that we're here let's take our time
No need to hurry anymore
There's no other place I'd rather be

No other face I'd rather see than yours
Hold me as only you can do
And dance me to the end of love

I'll follow you when you want to lead
You'll follow me sometimes too
There's no other body I'd rather hold

My heart, soul and body's been waiting on you
So hold me as only you can do
And dance me to the end of love
Dance me to the end of love

There's no other place I'd rather be
No other face I'd rather see than yours
Hold me and make life new and dance me

Come dance me
Dance me to the end of love
Dance me to the end of love
