Gonna walk this road
See where it leads
Gonna bless the flowers
Gonna bless the weeds
Gonna stay together
Nothing's gonna pull us apart
Gonna walk this road and mend each others hearts

Gonna spread the good news all over this land
Gonna raise our kids with a loving hand
Gonna stick together
No one's gonna pull us apart

Gonna walk this road and mend each others hearts

Baby, that's the plan
Let's do all we can

Gonna walk this road
See where it leads
With all our friends gonna sow good deeds
Gonna stay together
Nothing's gonna pull us apart
Gonna walk this road and mend each others hearts
Gonna walk this road and mend each others hearts
