Right now is the needed time, is the needed time, now
is the neeedeed time
Wooo Riiight now is the needed time, right now in the
needed time

I'm down on my bended knees, I'm on my knees,
praaayin' want you come back, come back here?
Yes I'm down on my bended knees, prayiin want you
come back, come back here

Singing Right now is the needed time, right now
Wooo Right now is the needed time, now is the
needed time

Even if you don't stay long, oh my Jesus, If you don't
stay long, I'm prayiin, Come back here
Ohhhhhh Jesus, If you don't stay long, I'm prayiin want
you come back, come back here

Singing Right now is the needed time, I know you feel
the needed time right now
Ooooo Riiight now is the needed time, Right now is the
neeedeed time,
Ooooooh, Oooooh, Bless us!
