I am the preacher â€“ shoutinâ€™™ out the news
I am the juke stomper â€“ playinâ€™™ the blues
I am the Holy Roller â€“ givinâ€™™ Jesus my cares
I am the candy man â€“ pushinâ€™™ my wares
I am the cowboy â€“ brandinâ€™™ my steers
I am the Cherokee brave â€“ on the Trail Of Tears
I am the master â€“ whip in my hand
I am the slave â€“ from a distant land
After all is said anâ€™™ done â€“ with my Maker I am
One
I am the Okie â€“ on a dusty road
I am the banker â€“ with the tailor-made clothes
I am the hobo â€“ in a cold boxcar
I am the railroad baron â€“ with the long cigar
I am the ghetto brother â€“ â€˜bout to lose his lease
I am the landlord â€“ cuttinâ€™™ of the heat
I am the prisoner â€“ playinâ€™™ cards
I am the warden â€“ lokkinâ€™™ out on the yard
After all is said anâ€™™ done â€“ with my Maker I am
One
I am the doctor â€“ savinâ€™™ the sick
I am the junkie â€“ gravinâ€™™ a fix
I am the homeless child â€“ on streets so mean
I am the movie star â€“ on the silver screen
I am the champion â€“ on the finish line
I am the beggar â€“ holdinâ€™™ up the sign
I am the rookie â€“ tryinâ€™™ to make the Hall Åƒf Fame
I am the gangster â€“ fixinâ€™™ the game
After all is said anâ€™™ done â€“ with my Maker I am
One
After all is said anâ€™™ done â€“ with my Maker I am
One
