"To Love Somebody"

Visit "[To Love Somebody](#)" on MotoLyrics.com

You don't know what it's like
You don't know what it's like

It's a light,
Certain kind of light
That never shines on me
And I want my life to be
(To live with you)
(To live with you)
There's a way that
Everybody says
I've got to do each and every little thing, yeah,
But what good will it bring
(If I ain't got you?)
(If I ain't got you?)
Baby

You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you

If I pray,
I see your face again,
And God knows I pray every night
Woman, how could you be so bad?
(Aand I'm sad,)
(So, so sad)
I'm a man, yeah
Can't see what I am
When I'm livin' I'm breathin' you
But what good will breathin' do
(If I ain't got you?)
(If I ain't got you?)
Baby

You don't know what it's like
You don't know what it's like
To love somebody
To love somebody

The way I love you
To love somebody
To love somebody
The way I love you

Yes, I see your face again
Woman, you know I pray every night, yeah
Baby, how could you be so blind?
(And I'm sad,)
(So, so sad)
I'm a full grown man, yeah
Can't you see what I am?

When I'm livin' I breathe with you, yeah,
Yeah, yeah,
But what what good will breathin' do
(If I ain't got you?)
(If I ain't got you?)
God knows, baby (baby)

You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you
You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way that I love you

To love somebody
To love somebody
The way that I
Love you
To love somebody
To love somebody
The way that I
Love you, baby
(To love somebody, to love somebody) Give it to me,
Give it to me, give it to me
(The way that I) Baby, baby, I love, I, I love you
(Love you) I love, I love, I love, I love you
(To love somebody, to love somebody) Give it to me,
Baby. Don't you leave me
(The way that I) You know I need you by my side
(Love you) You're drivin' me crazy. Baby, don't
(To love somebody, To love somebody) Oh, please
Baby, yeah

You don't know what it's like

You don't know what it's like
To love somebody
To love somebody
The way that I...
Love...
- Good God -
You...
