Well I met a girl called Sandoz  
And she taught me many, many things  
Good things, very good things, sweet things

I met her one sunny morning  
It was hot but the snow lay on the ground  
Strange things, very strange things, my mind has  
wings

Sandoz, Sandoz who taught me love  
Sandoz, Sandoz heavens above  
They could all learn something from your mind

Yeah baby

She is very old  
You may think she's young  
One kiss from her  
And you know your time has come

Good times, for all time, Sandoz  
Sandoz  
Sandoz
