The rooms were so much colder then.
My father was a soldier then.
And times were very hard.
When I was young.

When I was young.
I smoked my first cigarette at ten.
And for girls, I hall.
When I was young.

When I was young it was more important.
Pain more painful, the laughter much louder, yeah.
When I was young.

When I was young.
I met my first love at thirteen.
She was brown, and I was pretty green.
And I learned quite a lot.
When I was young.
When I was young.

When I was young it was more important.
Pain more painful, laughter much louder, yeah.
When I was young.

When I was young.
My faith was so much stronger then.
I believed in fellow men.
And I was so much older then.
When I was young.
When I was young.
When I was young.
When I was young.
When I was young.
