your houner please, gotta belive what I say.  
what I will tell happend just the other day,  
I must confess,cause I've had about enough,  
I need your help, gotta make this thing stop,  
baby I swear,I'll tell the truth,  
bout all the things you use to do,  
and if you thought you had me fooled,I'm telling you  
now,  
objection overruled,  
here we go(oh baby)  
(CHORUS)  
one for the money and the free rides  
two for the lies that you denied  
all rise,allrise  
three for the calls you've been making  
it's four for the times you've been faking  
all rise  
(i challange you)  
all rise  
(I rest my case)  
your on the stand,with your back against the wall

nowhere to run and nobody you can call

(oh no)

I just can't wait, now the case is opened wide

you try to pray but the jury will decide

baby I swear, I'll tell the truth,

bout all the things you use to do,

and if you thought you had me fooled, I'm telling you  
now,

objection overruled,

(oh baby)
