You see really I don't  
Give a damn what you may think of me  
(That's right you're a bad ass nigga)  
I'mma do what I'mma do, I'mma say what I'mma say  
(You think you're a bad ass nigga)  
Ya understand what I'm saying?  
Well you better

I was born in these streets  
Raised in these streets  
Walked in these streets  
Taught by these streets  
Lived in these streets  
Hustled in these streets  
Arrested in these streets  
Protected by these streets

Yeah you know I walk  
Through the valley of these streets  
I shall not fear these streets  
Because I run these streets

(Whoa, whoa, whoa, whoa, whoa)  
And I've paid my own dues  
With my own pennies and now

[1] - I'm a bad man  
I'm not ashamed of  
A bad man yeah  
And don't need your love  
I'm a bad man yeah  
I'm not ashamed of  
I'm a bad man  
My life's made me tough

I've stood on these blocks  
More hood on these blocks  
Got paid on these blocks  
Sprayed on these blocks  
Moved in on these blocks  
Went out on these blocks

I've been around the block  
Been watched on these blocks

Yeah you know I walk  
Through the valley of these blocks  
I shall not fear these blocks  
Because I run these blocks, yeah

(Whoa, whoa, whoa, whoa, whoa)  
Paid my own dues with my own pennies  
And I'm

*[Repeat 1]*

Now I believe the day will come  
When my heart will decide to change  
But until then  
See everything will remain the same

*[Repeat 1]*

See sometimes I gotta tell myself  
(I'm a bad man)  
To keep surviving  
And no matter what the cause  
(I'm a bad man)  
I gotta keep on keeping on yeah  
Came up in these streets  
(I'm a bad man)  
There was no father there for me, hey ooh  
(I'm a bad man)  
Cause sometimes we would just have to go without  
eating  
Hey how you like me now?  
(I'm a bad man)  
Give my life for my brother  
See I'm a bad mother SHUT YOUR MOUTH  
(I'm a bad man)  
Go on, go on, go on, go on..
