Cruel to the eye
I see the way he makes you smile
Cruel to the eye
Watching him hold what used to be mine

Why did I lie
Why did I wander where to fly
Ooh why
Ooh why

And I.....can't breathe easy
I can't sleep at night
Until your by my side
No I.....can't breathe easy
I can't dream you had another dream without you lying
next to me
There's no way

Crushed me inside
For every word that caused you to cry
Crushed me inside
I wont forget, no I wont baby I
Don't know why
(Don't know why)
I left the one I was looking to find

Ooh why
Ooh why

WHY

I.....can't breathe easy
I can't sleep at night
Until your by my side
No I.....can't breathe easy
(Breathe easy)
I can't dream you had another dream without you lying
next to me, there's no way
No I.....can't breathe easy
I can't dream you had another dream without you lying
next to me, there's no way

Out of my mind
Nothing makes sense anymore
I want you back in my life
That's all I'm breathing for
Ooh I.....
Tell me why.....
Ooh Tell me why
I can't dream you had another dream without you lying
next to me, there's no way

No no no no no I.....can't breathe easy
I can't sleep at night
Until your...by my side
Yeah
I.....Can't breathe easy
No I...
I can't dream you had another dream without you lying
next to me, there's no way
There's no way
