Crash
That was you and me
Started out so innocently
Shattered on the ground
I hear the sound
Crash
Ringing in my ears
I still feel the sting of my tears
Someone wake me
I can't seem to break free

[Chorus]

Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been somewhere in the dark
Living in a crash world

Hush
Don't say one more word
At this point the truth seems absurd
Cut to the word
If gone forever

Crash
Underneath the fears
Everything's so twisted and weird
Someone save me
I can't seem to break free

[Chorus]

Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been somewhere in the dark
Living in a crash world

[Other people] Crash world, yeah yeah

Slow motion

Devastation
Should'n seen it
But I couldn't do nothing
emotion
Desperation
Someone save me
I can't seem to break free

[Chorus]

Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been somewhere in the dark
Living in a crash world

[Repeat twice]

[Other people] say twice Crash world, yeah, y
