Hey you over there, know you gotta problem but dont
dispair
see me, I had no soul, till I found myself with the rock &
roll
There must be something that you're longing to be
give in to the rhythm, let the music
Free up your mind

[chorus]

Let the music free up your mind
and it will help you define
Cause it will give you a sign
ohhhh, let the music free up your mind
Free up your mind

Hey you over there, don't wanna hear the reasons
cause I don't care
See me, believe in you, gotta help yourself, whatcha
gonna do?
There must be something that you're longing to say
give in to the rhythm, let the music
Free up your mind

[chorus]

hey you, hey you, hey you, hey yooou, hey you, hey
you, hey you
free up your mind

Hey you over there, know you gotta problem but dont
dispair
see me I had no soul, till I found myself with the rockin',
rock & roll
Rock & roll

[chorus]

hey you, hey you, hey you, hey yooou, hey you

[chorus 2x]
