Yo, c'mon, c'mon  
That's right, ya  
C'mon, c'mon  
Check this out

I'm not the kind of guy  
You can take for granted  
But if you treat me right  
I'll give you what you wanted

It's not the way I am  
To tell you what I'm feeling  
But if you really care  
You'll know what I'm meaning

Think again before you get  
The wrong impression on your mind  
Think again, don't walk away  
I'm not fooling

If you wanna get down with me  
Let the love come naturally  
We can get back what we had  
You cannot deny it

Say you wanna get down with me  
Close your eyes and you will see  
It can be just like before  
You just got to try it

Yeah, that's right  
C'mon, check it out

You heard it all before  
But this time I can change, girl  
I'll show you so much more  
Love you've never seen now

I got so much to give  
I want a chance to prove it  
Reach out and take my hand  
I never want to lose it

Think again before you get  
The wrong impression on your mind  
Think again, don't walk away  
I'm not fooling, I'm not fooling

If you wanna get down with me  
Let the love come naturally  
We can get back what we had  
You cannot deny it

Say you wanna get down with me  
Close your eyes and you will see  
It can be just like before  
You just got to try it

If you wanna get down with me  
Let the love flow naturally  
We will get back to what we have  
You know, girl, it ain't that bad

To let me tell what I'm gonna do  
I'm gonna pull you close  
I'm gonna ground you slow, oh  
Feel our bodies in harmony  
C'mon girl, get down with me

Think again before you get  
The wrong impression on your mind  
Think again, don't walk away  
I'm not, I'm not fooling

If you wanna get down with me  
Let the love come naturally  
We can get back what we had  
You cannot deny it

Say you wanna get down with me  
Close your eyes and you will see  
It can be just like before  
You just got to try it

If you wanna get down with me  
Let the love come naturally  
We can get back what we had  
You cannot deny it

Say you wanna get down with me  
Close your eyes and you will see  
It can be just like before  
You just got to try it
