What you gonna do?  
Blue gonna get down?  
What you gonna do?  
Blue gonna get down?  
What you gonna do?  
Blue gonna get down?  
What you gonna do?

*[Chorus]*

Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta feel it  
Get down on it, get down on it  
Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta fell it  
Get down on it,

How you gonna do it if you really don't wanna dance  
By Standing on the wall  
Get your back off the wall  
Tell me  
How you gonna do it if you really don't wanna dance  
By standing on the wall  
'Cause I heard all my people saying:'  
Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta feel it  
Get down on it, get down on it  
Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta fell it  
Get down on it,

I say people - what  
what you gonna do  
You've gotta get on the groove, yeah  
If you want your body to move  
Tell me baby  
How you gonna do it if you really don't want to dance  
By standing on the wall  
Get your back up off the wall

Tell me

How you gonna do it if you really won't take a chance  
By standing on the wall

Get your back off the the wall  
'Cause I heard all the people saying:

*[Chorus]*

Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta feel it  
Get down on it, get down on it  
Get down on it, C'mon and  
Get down on it, if you really want it  
Get down on it, you gotta fell it  
Get down on it,

You know it when you're dancing, yeah  
You show it when you move move, move  
You know it when you're dancing, yeah  
You show it as you moe across the floor  
When I move you move just like that  
It's your girl lil' Kim on the throw back  
I'm just cooling out me and the gang  
Girls pop that thing and  
Get down on it  
If you really want it  
Got the feeling  
C'mon C'mon C'mon  
Get down on it down

I said move like that  
What you mean like this  
Kool and the gang,  
Blue and little kim  
We all teamed up for this collaboration  
But we're gonna turn it into a celebration  
If your sitting I suggest All Rise  
I got 8 bass som in'a spit in time  
So don't feel Guilty just coz yo're with me  
Back off the wall ya, One Love.

We gotta get down now,  
We gotta get down on now Oh,  
Were taking you down now, were taking down now oh  
Get down on it.
