Yeah-yeah, yeah-yeah  
Yeah-yeah-yeah-yeah, yeah-yeah

Step right up and welcome to my show  
Yeah-yeah, yeah-yeah  
It's a dangerous ride you gotta let yourself go  
Yeah-yeah, yeah-yeah-yeah  
It's kinda like a rollercoaster wild and free  
Yeah-yeah, yeah-yeah  
But if you want security there's nothing really  
guaranteed  
Yeah-yeah, so come and play the game with me

Round and round and around we go (yeah-yeah-yeah)  
Ain't no stoppin, you got the control  
Hold on tight and don't you ever look down (yeah-yeah-  
yeah)  
Sometimes life is like a merry go round  
Sometimes life is like a merry go round

Yeah-yeah, yeah-yeah

All the games we're gonna play now don't be rude  
Yeah-yeah, yeah-yeah  
I got some money in my pocket so you better be good  
Yeah-yeah, yeah-yeah  
You don't need a ticket 'cause the ride is free  
Yeah-yeah, yeah-yeah  
Don't you worry 'bout tomorrow you can make your own  
reality  
Yeah-yeah, so come and play the game with me

Round and round and around we go (yeah-yeah-yeah)  
Ain't no stoppin, you got the control  
Hold on tight and don't you ever look down (yeah-yeah-
