Oh I cant wait to get next you  
Oh I just can't leave you alone  
Boy you got me doing things that I would never do  
and I cant stop the way I'm feelin' if I wanted to  
I'm crazy bout the way you that you could make me say  
your name  
and if I couldnt have you I would probably go insane  
cause...

*[CHORUS:]*

Only u can me feel (only you can me make me feel)  
And only u can take me there (only u can take me  
there)  
And only u can make me feel (only you only you can  
make me feel)  
And only u can take me there (only you can take me  
there)

Oh I can't wait to get next to you  
Oh I just can't leave you alone  
Boy you stay inside my mind ain't no denyin' that  
and only you could do them things that got me comin'  
back  
Gotta be the realest thing that I have ever felt  
and I'll do wat I gotta do to keep you to myself cause..

*[CHORUS:]*

Only u can me feel (only you can me make me feel)  
And only u can take me there (only u can take me  
there)  
And only u can make me feel (only you can make me  
feel)  
And only u can take me there (only you can take me  
there)

Crazy  
bout the way you feel  
I just gotta have u  
here and I  
wanna let u  
go

I wont ever let u  
go

*[CHORUS:]*

Only u can me feel (only u can me make me feel)  
And only u can take me there (only u can take me  
there)  
And only u can make me feel (u can make me feel)  
And only u can take me there (only you can take me  
there)

Oh I can't wait to get next to you  
Oh I just can't leave you alone...
