Dime de dónde vienes  
What you say?  
¿Eres de aquí?  
I don't understand  
Me gusta tu estilo  
¿Sabes lo que te digo?  
what am i supposed to do,  
just look at you?  
The situation like this

Ever since I saw you standing there  
I couldn't get you outta my mind  
So I thought I'd come and talk to you  
But you couldn't understand my lines  
Girl its like in our chemistry  
There was something that gave me the sign  
From the moment that I saw your spanish eyes

Couldn't figure out a word she was saying  
But I could see you were looking amazing  
Give me some help I need the translation  
What does te quiero really mean? Tell me

Señorita, chica bonita are the only words I  
know  
I wish that I could hold you and dame un beso  
I wanna take you home  
Cos I really really like your style  
I can see you wanna get buck wild  
Señorita, chica bonita are the only words  
The only words I know  
Chico bonito me atraes  
Now the situation stresses me  
cos I know what I've got in my hand  
There's a millions things I wanna say  
Like I really wanna be your man  
Anticipation stresses me  
coz I'm trying to get through to you  
Body language is the only thing to use

Couldn't figure out a word she was saying  
But I could see you were looking amazing

Give me some help I need the translation  
What does te quiero really mean?

Tell me

(Chorus)

Her body's calling  
And I think I'm Falling  
But I can't understand what she says  
Chico bonito me atraes  
Dime de dónde vienes  
¿Eres de aquí?  
Me gusta tu estilo  
¿Sabes lo que te digo?  
What does te quiero really mean?
