I'm not your Juliet, and you're not Romeo
But I will love you, baby - time will show:

I'll give you everything - and that's no compromise
See my broken wings - to your alibies
Crying 90 tears - no sacrifice
Broken souvenirs - in paradise
Oh, I never promised you love
Oh, when my heart is not enough
Oh, it's like an ocean of love to me

I'm not your Romeo - and you're not Juliet
After the curtain falls - I'll drive you mad
Oh baby, heaven, just sweet heaven has sent you
I'm not your Romeo - and you're not Juliet
But I will love you, love you, love you, drive you mad
Oh baby there will never be another you

Love on the telephone - it's killing me
I'll sail my ship alone - old memory
Back to Babylon - in my fantasy
Gonna lock my heart - and losing the key
Oh I never promised you love
Oh when my heart is not enough
Oh it's like an ocean of love to me

Another you, another you
