There was a girl I knew, she was more the beautiful
She had a mind of her own five foot eight or more
She was a real wild child and nothing could hold her
back
She was my sis's best friend so now you know where
it's at, oh yeah

She's always been around, me and her were always
down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her, we talked
about
Everything I never knew, she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
She told me, she told me

It was one of those times, way back in the day
She was at my door with a smile across her face
I said, "My sister ain't home, she's gone out for a while"
She said, "That's cool with me that's the reason I came
by", oh yeah

She's always been around, me and her were always
down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her, we talked
about
Everything I never knew, she told me yeah

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
She told me, she told me
Yeah, yeah, yeah

Sing, na na na na na
Na na na na na
Sing, na na na na na
Na na na na na

Oh, na na na na na
Na na na na na
Sing it with me na na na na na
Na na na na na

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me

"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
