Psst... hey, listen!  
Lalalalala! I love my job. Whoo! Makes me feel like  
Superman!  
Can you fly? I can. Wanna see?

*[Chorus]*

I'm only entertaining you  
My goal is to stimulate, making you high  
And take you and I  
To a place you can't see  
But I believe you can fly  
I don't mean nobody harm, I'm just partying  
I'm not your dad, not your mom, not your guardian  
Just a man who's on the mic  
So let me entertain you...

*[Eminem]*

My lyrical content is constantly under fire  
No wonder why I constantly bomb back  
To combat attacks with constant concepts  
When lyrics are constantly took outta context  
Failure to communicate with congress has  
Been a problem for the longest, I guess  
But maybe one day we can make some progress  
Food for thought - see how long it takes to digest  
Feeling good when I should be ashamed  
Sh\*t, I really should've fell but I stood  
See I came like a flame in the night  
Like a ghost in the dark; there's a ray, there's a light  
There's a hope, there's a spark  
But when planets collide they'll never see eye to eye  
Until they decide to set their differences aside  
And this is why only one of us will survive  
So children follow my lead and feel the vibe, cause

*[Chorus]*

*[Eminem]*

My music can be slightly amusing  
You shouldn't take lyrics so serious, it might be  
confusing

Just trying to separate the truth from entertainment  
It's stupid, ain't it? I get sick of trying to explain it  
See I could sit and argue with you but it goes beyond  
Just being a snot, pointy-nosed bleach-blond  
Cause I came here to uplift; let your woes be gone,  
Tell 'em to get fu\*ked and just mosie on  
Constantly moving, constantly using the constitution  
As a form of restitution  
Bless the children, nothing less than brilliant  
Let me entertain you like Robbie Williams  
I'll be here when y'all are gone, rebuilding,  
World revolving, still evolving, still Slim  
How many kids'll copy? Probably millions,  
But I'ma do this as a fu\*king hobby till then, cause

*[Chorus]*

*[Eminem]*

My lyrical content contains subject matter  
That sucks up all these fu\*ked up young kids  
At an alarming rate; common denominate  
Add it up and you'll see just why I dominate  
I try to stimulate but kids emulate,  
And mimmick every move you make - "Slim, you  
great!"  
But wait, can't you see I'm only here to entertain?  
I gotta be the one to go against the grain  
Cause man, I see it, feel it, live it, but it's inhumane  
For me to see you be influenced but pretend you ain't  
But they don't understand that I've been through pain  
If you get to know me I could be a friend you gain  
But you can't just stand there and try to judge  
It hurts but you're jealousy probably tears you up inside  
as much  
And it's such a pleasure, every button that I touch  
I treasure every glutton that I punish in my lust, but

*[Chorus]*
