As every day goes by  
How can we close our eyes  
Until we open up our hearts

We can learn to share  
And show how much we care  
Right from the moment that we start

Seems like overnight  
We see the world in a different light  
Somehow our innocence is lost

How can we look away  
'Cause every single day  
We've got to help at any cost

We can bridge the distance  
Only we can make the difference  
Don't ya know that tears are not enough

If we can pull together  
We could change the world forever  
Heaven knows that tears are not enough

It's up to me and you  
To make the dream come true  
It's time to take our message everywhere

C'est l'amour qui nous rassemble  
D'ici ?l'autre bout du monde  
Let's show them Canada still cares  
You know that we'll be there

If we should try together you and I  
Maybe we could understand the reasons why  
If we take a stand every woman, child and man  
We can make it work for God's sake lend a han
