There was a girl i knew she was more than beautiful  
She had a mind of her own 5 foot 8 or more  
She was a real wild child and nothing could hold her  
back  
She was my 'sis' best friend so now you know where its  
at

Bridge

She's always been around  
Me and her we're always down  
Right in front of me - how could i be to blind to see  
She was always hangin out  
Me and her we talked about everything  
I never knew  
She told me

Chorus

If you like my style - come on  
If you need a ride - come on  
Compatable starsign - come on  
Thats what she told me x2

She told me x2

It was one of those times way back in the day  
She was at my door with a smile accross her face  
I said " My sister ain't her she's gone out for a while"  
She said "Thats cool with me - thats the reason I came  
by"

Bridge

Chorus

She told me x2

Sing na na na na na - na na na na na  
Sing na na na na na - na na na na na  
Oh na na na na na - na na na na na  
Sing it with me na na na na na - na na na na na

Chorus x3
