There she goes  
There she goes again  
Chasing through my face  
And I just can't contain  
This feelin' that remains

There she goes  
There she goes again  
Chasing down my lane  
And I just can't contain  
This feelin' that remains

There she goes  
There she goes again  
She calls my name  
She calls my name  
No one else could feel my pain  
And I just can't contain  
This feelin' that remains

There she goes  
There she goes again  
Running through my veins  
And I just can't contain  
This feelin' that remains

There she goes  
There she goes  
There she goe
