Un, dos, tres... catorce  
*[Spoken vocal]*  
Turn it up loud, Captain!

Lights go down it's dark  
The jungle is your head - can't rule your heart  
I'm feeling so much stronger than before  
Your eyes are wide  
And though your soul it can't be bought  
You might be wonder

Hello, hello... (Ola)  
I'm at a place called Vertigo (dÃ³nde estÃ¡is?)  
It's everything I wish I didn't know  
Except you give me something...  
I can feel, feel

The night is full of holes  
There's bullets ripping sky of ink with gold  
They twinkle as the boys play rock and roll  
They know that they can't dance - at least they know

I can't stand the beat  
I'm asking for the cheque  
Girl with crimson nails  
It's Jesus 'round her neck  
Swinging to the music Whooooaaa  
Swinging to the music Whooooaaa  
Whooooaaa  
Whooooaaa  
Whooooaaa

Hello, hello... (Ola)  
I'm at a place called Vertigo (dÃ³nde estÃ¡is?)  
It's everything I wish I didn't know  
But you give me something...  
I can feel, feel

Shake it...  
Just for...  
Jumping in... yeah

*[Edge solo]*

All of this... all of this can be yours  
All of this... all of this can be yours  
All of this... all of this can be yours  
Just give me what I want and no one gets hurt

Hello, hello... (Ola)  
We're at a place called Vertigo (d¿nde est¿is?)  
Lights go down and no one knows  
That you give me something...  
I can feel your love teaching me  
Aaahhhh-aaahhh-aaahhh-aaahhh...  
Your love is teaching me  
Aaahhhh-aaahhh-aaahhh-aaahhh...  
How to kneel, kneel

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, YEAH,  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, YEEEEAA
