[Talking]

I gotcha
I'll be right here
You listen

[Singing]

Come stop your crying
It will be alright
Just take my hand
Hold it tight, now
I will protect you from, all around you
I will be here DONT you cry

For one so small
You seem so strong, now
My arms will hold you
Keep you safe and warm, This
bond between us
Can't be broken
So im gonna be here dont you cry
Cuz

[Chorus]

You'll be in my heart,
You'll be in my heart,
From this day on,
Now and forever more,
(for more.. na na na na..
ha ha.. come on.. yea)

WHY cant they understand the way we feel,
THEY just don't trust what they cant explain,
I know we're different,
But deep inside us,
We're not that different AT ALL,

[Chorus]

(You'll) You'll be in my heart,
See you'll be in my heart,
(From this day) From this day on,
(Ohh) Now and forever more (FOREVER MORE)

From this day on forever more, YOU'LL BE

You'll be in my heart
No matter what they say
You'll be, you'll be right here in my heart (Always)
Always (Always, Always, Always)

Dont listen to them
Cuz what do they know?
We need each other
To have, to hold
They'll see in time
I KNOW
WE'LL SHOW THEM TOGETHER

(YOU'LL BEEEEEE)
You'll be (IN MY HEART) in my heart
(I'll always be there)
You'll be in my heart
(You know that) From this day on
Now and forever more

(You'll) You'll be in my heart
No matter what they say (No matter, no matter what
they say ooh)
You'll be right here in my heart (No matter oh no
matter)(always)
Always (Always, always)

Just look over your shoulder
(Euh listen, no matter what they say no no.. look over
your shoulder yeah)
Just look over your shoulder
(I'll be right here, I gotcha) (I'll always be there)
Just look over your shoulder
(I'll be right there)
I'll always be there (Now that i gotch ya)
(No matter what they say)
Just look over your shoulder (No no no no no no no no
no no no no no no no no no)
(No matter what, no matter what, no)

[Fading]

Just look over your shoulder
(No matter what they say no no hey yey yey hey HA)
Just look over your schoulder
