I used to lie in my bed
Sleep wouldn't come
Thinking 'bout things that they said
They led me on
All of the fancy ladies, oh they could talk
And talk

I shot for the highest star
But I aimed too high
You wanted a rich rock star
But he made you cry
Now that we have each other, oh
We can laugh
About it

You're not the one I was looking for but
You're the one for me You're the one
I'm not the one you were looking for but
You can't go wrong with me
You're not the one I was looking for but
You're oh so good for me

Now I can't make it without you
I can't go on
We can make beautiful music
And prove them wrong
We've been put down by the best
And now we laugh
About it

You're not the one I was looking for but
You're the one for me You're the one
I'm not the one you were looking for but
You can't go wrong with me
You're not the one I was looking for but
You're oh so good for me
You're so good You're oh so good for me
You're so good You're oh so good for me
You're so good You're oh so good
For me
