Pretty colors  
Pretty colors, in her hair  
Pretty colors, in her hair, ooo

Pretty colors, everywhere  
I can tell, by the way she looks at me  
I can tell, all the love that's gonna be

Maybe she doesn't know it yet  
She soon will know  
She soon will close her eyes and see the colors flow

Yea, pretty colors, in her hair  
Pretty colors, everywhere  
Pretty colors, in her eyes  
Pretty colors, in her mind

I can tell, by the way she holds her hair  
I can tell, by the way she talks  
You can tell, that she is from good stock, now  
I can see her mother, and her father too  
I know she's got a sister somewhere,  
Maybe she's for you

With those pretty colors, in her hair  
Pretty colors, everywhere  
Pretty colors, in her hair  
Pretty colors, in her hair

I always knew  
She would be,  
As soon as I saw her,  
The one for me

She's the kind of girl  
Makes you wanna act like a man  
She's the kind of woman  
Make me do things I never thought I can

Pretty colors, in her hair  
Pretty colors, everywhere  
Pretty colors, in her mind

Pretty colors, I'll make them shine

Make 'em shine,  
Gonna make 'em shine, everywhere  
Gonna make 'em shine, yea  
Pretty colors, she's pretty stoned  
She's pretty cool  
She's very hot  
She's cold as ice  
She's as warm as the sun  
As wild as the wind  
As free as me  
And that's the way she was there  
Cuz that's the way I want it to be  
I don't wanna make an impression of you  
All I want is you, all I really want is you, now, baby  
To give my love to you  
I have some colors for you  
And you can take them in your time  
I have some colors in my head, baby  
And soon I'll see them shine

Ooo Pretty colors, everywhere  
Ooo Pretty colors, everywhere, mmm  
Pretty colors, and all for you, yes  
Pretty colors, ooo, I will give to you, ooo  
I will give to you, yea  
Pretty colors, all for you  
The rainbow, all for you  
Rainbow, for you  
It's all for you  
I'm gonna give it all away  
It's all for you  
Pretty colors everywhere  
Pretty colors everywhere  
Pretty colors everywhere, oo, ah  
Give it to you, yes I will, give it to you, babe  
All for you  
Make 'em shine
