Everybody says we're through now
I have heard them say, the love we've shared is
through
Even if I have to hear these words from you now, baby
I'm gonna keep on lovin', lovin' you

There ain't nothing gonna stop me
There ain't nothing gonna stop me

Ain't nothing gonna stop me from lovin' you
No matter what you say or do
I've been loving you much too long
And now my love is far too strong
There ain't nothing gonna stop me from loving you

Nothing gonna stop me, babe, from lovin' you
Nothing gonna stop me, babe, from lovin' you

You know I'm gonna love you woman
You know I will
You know I'm gonna love you woman
With everything I've got, oh yeah
You know I'm gonna, love you babe
Ain't nothing gonna stop me
Nothing gonna stop me

Ain't nothing gonna stop me from lovin' you
No matter what you say or do
Ain't nothing gonna stop me
Ain't nothing gonna stop me
