On this night
On any hot, summer night
Every girl
Every red-blooded boy

Is cryin' out
With one great voice
They wanna jump
They wanna turn up the noise

And that's the sound
That's the thunderin' sound
Of clappin' hands
And of stompin' their feet

Coast to coast
Like a national heart
Watch them go
Go wild in the street

Every kid in the U.S.A.
Is comin' out to play
It's American as apple pie
Livin' hard, riding high

Feelin' every minute
Like the Fourth of July
Go for broke, do or die
American as apple pie

I gotta girl
I got one fine girl
She's got hair
Like Kansas wheat

She can move
Like a New York street
And she can kiss
She can kiss so sweet

On this night
On this glorious night

We got plans
We got red, hot schemes

Of bustin' out
Before we break at the seams
We'll cut a piece
Of the American dream

Every kid in the U.S.A.
Is comin' out to play
It's American as apple pie
Livin' hard, riding high

Feelin' every minute
Like the Fourth of July
Go for broke, do or die
American as apple pie

It's American as apple pie
Livin' hard, riding high
Feelin' every minute
Like the Fourth of July

Go for broke, do or die
American
It's American
It's American as apple pie

American as apple pie
Livin' hard, riding high
Livin' every minute
Like the Fourth of July
