On this night  
On any hot, summer night  
Every girl  
Every red-blooded boy  
Is cryin out  
With one great voice  
They wanna jump  
They wanna turn up the noise

And thats the sound  
Thats the thunderin sound  
Of clappin hands  
And of stompin their feet  
Coast to coast  
Like a national heart  
Watch them go  
Go wild in the street

Every kid in the u.s.a.  
Is comin out to play  
Its american as apple pie  
Livin hard, riding high  
Feelin every minute like the 4th of july  
Go for broke  
Do or die  
American as apple pie

I gotta girl  
I got one fine girl  
Shes got hair  
Like kansas wheat  
She can move  
Like a new york street  
And she can kiss  
She can kiss so sweet

On this night  
On this glorious night  
We got plans  
We got red, hot schemes  
Of bustin out  
Before we break at the seams

Well cut a piece  
Of the american dream

Every kid in the u.s.a.  
Is comin out to play  
Its american as apple pie  
Livin hard, riding high  
Feelin every minute like the 4th of july  
Go for broke  
Do or die  
American as apple pie

Its american as apple pie  
Livin hard, riding high  
Feelin every minute like the 4th of july  
Go for broke  
Do or die  
American  
Its american  
Its american as apple pie

American as apple pie  
Livin hard, riding high  
Livin every minute like the 4th of july
