(eric carmen)

Things are so wrong
I know how hard it must seem
But honey, I need you beside me now
People get angry
They say things they don't mean
We're gonna make it work somehow

Whoa, and darlin'
It's not the end of the world
As long as you love me
As long as you love me
Aah, darlin'
It's not the end of the world
As long as you need me
As long as you need me

Love isn't easy
And there's no guarantee
Everything has to turn out right
We got each other
And that's all that we need
That and the way we feel inside

Whoa, and darlin'
It's not the end of the world

As long as you love me
As long as you love me
Aah, darlin'
It's not the end of the world
As long as you need me
As long as you need me

Darlin'
It's not the end of the world
As long as you love me
As long as you love me
Aah, darlin'
It's not the end of the world
As long as you need me

As long as you need me

Darlin'

It's not the end of the world

As long as you love me

As long as you love me

Darlin'

It's not the end of the world

As long as you need me

As long as you need me
