We've been goin' together so long
Can't you feel that there's somethin' wrong?
You only take me half way there,
Come on (come on)
Come on (come on)
We can't go on this way
While there's nothin' more to say

Get the message
(come on now, come on now)
Get the message
(come on now, come on now)
Can you hear me? can you clear me?
Get the message

My bedroom wall's been scaled of late
So often it's become my friend
But these great lows are what I've got to end
Come on (come on)
Come on (come on)
We can't go on this way
One more hour, one more day

Get the message

(come on, now)
(come on, now)
Get the message
(come on, now)
(come on, now)
Can you hear me? can you clear me?
Get the message

Come on (come on)
Come on (come on)
We can't go on this way
One more hour, one more day

Get the message
(come on, now)
(come on, now)
Get the message
(come on, now)
(come on, now)
Can you hear me? can you clear me?
Get the message
(come on, now)
(come on, now)
Can you hear me? can you clear me?
Get the message
