Your love
Is softer than the rain
Smile and ease the pain
And heal my mind again

I've got to turn away to keep myself from cryin'
But everywhere I turn, I only see you

I need your lovin' baby
Got to have your lovin' baby
I need your lovin' baby

I've got to have you in every way
I've got to have you in every way
I've got to have you in every way

I need your lovin' baby
Got to have your lovin' baby
I need your lovin' baby

Right now

I give my love to you
And after we are through,
Then I'll belong to you

I've got to have you all to myself, yeah
If I've got you, I don't need nobody else

I need your lovin' baby
Got to have your lovin' baby
I need your lovin' baby

I've got to have you in every way
I've got to have you in every way
I've got to have you in every way

I need your lovin' baby
Got to have your lovin' baby
I need your lovin' baby

I need your lovin' baby
Got to have your lovin' baby
I need your lovin' baby
Got to have your lovin' baby
