(eric carmen)

Well it's all been said, it's all over now  
I guess that I should leave  
'cause there's nothin' left for me to do  
Except to set you free

So let me leave you now before I cry  
I'll just go back to my room and hide  
And never let no one else inside to  
To do this again

But if you change your mind  
Won't you take some time  
And let me know that you  
Still want me too  
'cause I'll wait night and day  
Until you say that you have  
Changed your mind  
Won't you change your mind  
If you should change your mind  
Oh yeah

Well I tried so hard to be the one  
That you were dreaming of  
But I guess it wasn't quite enough  
To make you fall in love

So walk away, leave me by myself  
And let me crawl back into my shell  
And be the me that I do so well  
Before I met you

But if you change your mind  
Won't you take some time  
And let me know that you  
Still want me too  
'cause I'll wait night and day  
Until you say that you have

Changed your mind  
Won't you change your mind

If you should change your mind  
Oh yeah

I'll be waitin' at home  
Just a call me up on the phone  
And I'll be by your side  
There's no reason to hide  
If you need me just call  
Don't you worry at all  
But if this is the end  
And I can't see you again  
I just can't carry on  
It's so hard when you're gone  
It's so hard when you're gone

Oh oh, oh oh, oh no, oh!

Baby don't leave  
Baby don't go  
Oh baby don't go

Baby don't go now  
Baby, don't leave me  
Oh, baby don't go

Baby don't leave  
Baby don't go now  
No, no, no, no, no, no, no  
Baby don't go

Baby don't leave me  
I need you so bad now  
No, no, no, baby  
I need you
