(eric carmen)

Maybe my baby's got a new man  
Who can take her where she wants to go  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know

I call her on the telephone  
But she's never where she's supposed to be  
Lately when we're all alone  
Well it seems she don't want any part of me  
Don't you know I'm gonna lose my mind  
If there's someone else after all this time

(I'm thinking)  
Maybe my baby's got a new man  
Who can take her where she wants to go  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know

(well somethin' tells me)  
Maybe my baby's got a new guy  
And he's really puttin' on a show  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know

I can't believe it's come to this  
But my heart keeps tellin' me there's somethin' wrong  
I feel the difference in her kiss  
I wanna know what I'll do when she's really gone  
Well, don't you know I'm gonna lose my mind  
If there's someone else after all this time

(I keep thinking)  
Maybe my baby's got a new man  
Who can take her where she wants to go

Maybe my baby's got a new lover  
And I'm not supposed to know

(well somethin' tells me)  
Maybe my baby's got a new guy  
And he's really puttin' on a show  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know

I can't seem to pin her down  
Friends tell me all I'm getting is the runaround  
I'm sitting home and it's saturday night  
Is she moving in with someone else tonight

Maybe my baby's got a new man  
Who can take her where she wants to go  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know

(well somethin' tells me)  
Maybe my baby's got a new guy  
And he's really puttin' on a show  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know  
Yes, and I'm not supposed to know  
And I'm not supposed to know

Maybe my baby's got a new man  
Who can take her where she wants to go  
(I'm thinking)  
Maybe my baby's got a new lover  
And I'm not supposed to know
