No use pretending things can still be right  
There's really nothing more to say  
I'll get along without your kiss good night  
Just close the door and walk away

Never gonna fall in love again  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you  
No, I never wanna feel the pain  
Of remembering how it used to be  
Never gonna fall in love again  
Just like you and me

At first we thought that love was here to stay  
The summer made it seem so right  
But like the sun we watched it fade away  
From morning into lonely night

Never gonna fall in love again  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you  
No, I never wanna feel the pain  
Of remembering how it used to be  
Never gonna fall in love again  
Just like you and me

Never gonna fall in love again  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you  
No, I never wanna feel the pain  
Of remembering how it used to be  
Never gonna fall in love again  
Just like you and me

Never gonna fall in love again  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you
