(david smalley)

Rock and roll mama  
Gets her kicks at the hop every friday night  
They know when she walks out the door  
She ain't comin' home all night

Rock and roll mama  
Wanna take you home with me  
Put down my guitar  
Just long enough to make you see

I'm gonna hold you like a lover should  
Yeah! rock and roll mama  
Make you feel so good  
All right! all right!

Rock and roll mama

She's got the kind of walk  
Drives you crazy when she passes by  
You know she's gonna burn you  
But there's nothing gonna stop you from trying

Rock and roll mama  
Wanna take you home with me  
I'm gonna put down my guitar  
Just long enough to make you see

Rock and roll mama make you feel all right  
Yeah! come on, sugar  
Can you stay all night?  
All night! all night!

Rock and roll mama

I'm gonna hold you like a lover should  
Yeah! rock and roll mama  
Make you feel so good  
All right! all right!

Rock and roll mama

She's got the kind of walk  
Drives you crazy when she passes by  
You know she's gonna burn you  
But there's nothing gonna stop you from trying

Rock and roll mama w  
Wanna take you home with me  
I'm gonna put down my guitar  
Just long enough to make you see

Rock and roll mama make you feet all right  
Yeah! come on sugar, call  
Can you stay all night?  
All night! all night!

Rock and roll mama

Come on, sugar, shake those hips  
You got to drive me wild  
Gonna watch you rock and roll  
Till the sun comes up at half past five

Rock and roll mama

Wanna take you home  
'cause now I know that there's nothing  
Like a rock and roll mama  
Make me lose control

Rock and roll mama  
Make you feel all right  
Yeah! come on sugar  
Can you stay all night?  
All night! all night!

All night! rock and roll mama
