Never realized how much she brought to the table  
Till I went to sit my cup of coffee where the table used  
to be  
No couch, no bed, no heirloom antique cradle  
No more hope for one day startin' that family

Bet she's gainin' fast on Memphis with a trailer-load in  
tow  
Who says you can't take it with you when you go?

'Cause she got away with everything that I had goin'  
An' she got away 'fore I could make it all alright  
An' I got away with leavin' what needs said unspoken  
Hell, I even blew the chance I had to say goodbye

Yeah, she took her heart an' took off down that road  
An' they say you can't take it with you when you go

Good news is, ain't much here left for packin'  
Bad news is, she left behind a million memories  
All the echoes of her cryin', lovin' an' laughin'  
Left me with nothin' left to do but leave

That ol' house is in the rear view, ridin' shotgun is her  
ghost  
Who says you can't take it with you when you go?

'Cause she got away with everything that I had goin'  
An' she got away 'fore I could make it all alright  
An' I got away with leavin' what needs said unspoken  
Hell, I even blew the chance I had to say goodbye

She just took her heart an' took off down that road  
An' they say you can't take it with you when you go

Closin' in on Dallas now is the best love I've ever known  
An' they say you can't take it with you when you go
