I know where I come from:  
How 'bout you?  
I don't need baggy clothes,  
Or rings in my nose to be cool.  
The scars on my knuckles,  
Match these scuffs on these cowboy boots.  
An' there's a whole lot more like me:  
How 'bout you?

I punch the clock tryin' to make it to the top:  
How 'bout you?  
I ain't got no blue-blood trust fund,  
I can dip in to.  
Yeah, I wish Uncle Sam would give a damn,  
About the man who's collar's blue.  
But if he don't, hell, I'll make it on my own:  
How 'bout you?

An' how 'bout you?  
Do you feel the way I do?  
To tell the truth,  
I think we're the chosen few.  
But that's just me:  
How 'bout you?

I still say: "Yes, Ma'am" to my Momma:  
How 'bout you?  
If I shake your hand, look you in the eye,  
You can bet your ass, it'll be the truth.

I cover my heart with my hat,  
When they fly that Red, White and Blue,  
Just like my Daddy taught me:  
How 'bout you?

An' how 'bout you?  
Do you feel the way I do?  
To tell the truth,  
I think we're the chosen few.  
But that's just me:  
Well, how 'bout you?

I like my country rockin':  
How 'bout you?  
Just put me on a stage, man,  
Turn it up an' I'll turn it loose.  
Yeah, give me a crowd that's redneck an' loud,  
We'll raise the roof.  
Yeah, I might just stay all night long.

How 'bout you?  
Do you feel the way I do?  
To tell the truth,  
I think we're the chosen few.  
An' how 'bout you?  
Do you feel the way I do?  
'Cause, man, I know where I come from:  
How 'bout you?
