Get ups, gimmicks, one hit wonders that don't stick
Pretty boys, acting tough, boy bands give it up
And if it looks good on TV, it'll look good on a CD
Shape it up, trim it down, who gives a damn 'bout how it
sounds

I don't think Waylon done it that way
And if he was here he'd say Hoss neither did Hank
I ain't dogging what you're doing but boys come on
let's get real
You still got a lotta boot left to fill

You say you're the real deal
But you play what nobody feels
You sing about Johnny Cash
The man in black would've whipped your ass

I don't think Waylon done it that way
And if he was here he'd say Hoss neither did Hank
I ain't dogging what you're doing but boys come on
let's get real
You still got a lotta boot left to fill

So, so long 'til I see you again
When you're laying in the bargain bin

Well, I don't think Waylon done it that way
And if he was here he'd say Hoss neither did Hank
I ain't dogging what you're doing but then again, hell
yes I am
I just don't give a damn 'cause you still got a lotta boot
left to fill
I guess we all got a lotta boot left to fill
