I love sleeping in on Saturdays  
And I love college football games  
I love not acting my age  
And good barbeque

Yeah I'm a fan of all the books  
And anything my mama cooks  
Smallmouth bass have got me hooked  
On Sunday afternoon

Yes I love good cold beer  
And mustard on my fries  
I love a good loud honky tonk  
That rocks on Friday night

And hell yes I love my truck  
But I want you to know  
Honey I love your love the most

Man I love how Redman tastes  
And damn I love my Nascar race  
Any song sung by George Strait

Is country at it's best

Yes I love good cold beer  
And mustard on my fries  
I love a good loud honky tonk  
That rocks on Friday nights

And hell yes I love my truck  
But I want you to know  
Honey I love your love the most  
I love

Yeah I love scuffed up cowboy boots  
And broken tore up jeans  
A four wheel drive, eight point bucks  
And rocky road ice cream

And hell yes I love my dog  
And Jack D in my coke

But honey I love your love  
Yeah I love your love  
I love your love the most

I love your love the most
