"Still Standing Their Ground"

I like to think that i
have strong enough conviction
to give my life for something
i believe

But the truth is that i
ever been put in that position
where id have to die
to keep someone else free

but their are those, that do it every day
and their are those, that will tomorrow
so tonight i pray, as i lay my words down
to watch over those, still standing their ground

I like to think that i
have had the kind of courage
to speak the name of god
where it was vained

or be the kind of guy
who stayed by her side
when alot of other guys
would of ran

cause their are those, that do it every day
and their are those, that will tomorrow
so tonight i pray, as i lay my words down
Lord watch over those, still standing their ground

i make my living with this old guitar
i stand on a stage and i pour out my heart
it might not seem like much in the sceme of things
yea i doubt ill ever save a life with one of these songs i
sing

but their are those, that do it every day
and their are those, that'll save one tomorrow
so tonight i pray, as i lay my words down
Lord please watch over those still standing their

ground
