### **"Woke Up This Morning"**

I woke up this morning  
And the sun was shining  
And the birds were singing  
And everything was just fine

Almost like they were  
Rubbing it in  
So I woke up this morning  
And I, I went back to bed

I woke up this morning  
And I tried to lie  
But the truth was there  
In my bloodshot eyes

Well honey, your still gone  
And you ain't came back yet  
So I woke up this morning  
And I, I went back to bed

I know this world is gonna spin  
Whether I get up or I sleep in  
Yeah, you being gone  
Today's too much to swallow  
So I'll try again tomorrow

I woke up this morning  
Smelled spring on the breeze  
Its like that wind was teasing me  
But there's a breeze in my heart  
And still a stone in my head  
So I woke up this morning  
And I, I went back to bed

I know this world is gonna spin  
Whether I get up or I sleep in  
Yeah, you being gone  
Today's too much to swallow  
So I'll try again tomorrow

I know this world is gonna spin  
Whether I get up or I sleep in  
Yeah, you being gone  
Today's too much to swallow  
So I'll try again tomorrow

Woke up this morning  
Sun was shining  
Birds were singing  
And everything was just fine

ohhhhhh
