Well, there's a certain girl I've been in love with a long,
long time

What's her name? I can't tell you

Ahh

I can't reveal her name until she's mine

What's her name? I can't tell you

Ahh

I've tried to make her time and time again

Still we're introduced as nothing but friends

And there's a certain girl I've been in love with a long,
long time

What's her name? I can't tell you

Ahh

There's a certain chick I've been sweet on since I met
her

What's her name? I can't tell you

Ahh

I can't reveal her name until I get her

What's her name? I can't tell you

Ahh

Someday I'm gonna wake up and say

Yeah

And there's a certain girl I've been in love with a long,
long time

What's her name? I can't tell you

Ahh

There's a certain girl I've been in love with a long, long
time

What's her name? I can't tell you

Ahh

I can't reveal her name until she's mine

What's her name? I can't tell you

Ahh

I've tried to make her time and time again

Yeah

Still we're introduced as nothing but friends

And there's a certain girl I've been in love with a long,
long time
What's her name? I can't tell you
Ahh

I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
Ahh

I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
Ahh

I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
What's her name? I can't tell you
