AM We gonna let it all hang down
AM"
AM We gonna chug-a-lug and chow

You'll stimulate some action
We gonna get some satisfaction
Gonna find out what it's all about

AM We gonna let it all hang down
AM"
AM We gonna shake your tambourine
AM So go baby just set free

No false talk and suspicioun
don't give an exhibition

You gonna find out what it is all about

AM We gonna let it all hang down

Solo

AM We gonna let it all hang down
AM We gonna shake your tambourine
AM So go baby just set free

No false....(repeat)

AM We gonna let it all hang down
AM We gonna let...
AM We gonna let...
